

SUNSHINE VALLEY ESTATES

The majority of the lots in the Estates are quarter acre in size, which equates to a minimum of 10,890 sq ft. The lots are being marketed on an as is where is basis.

Fully serviced with potable water, electrical power, Telus high speed fibre optic internet services available to be connected. These lots also include installation of a 1,000 gallon septic tank. Buyers are to choose where they would like to place the septic tank on the lot and are responsible for clearing the chosen area.
